

# Community and Where People Live

Service sits at the root of practically all that we do in our family. From an early age, my father and grandparents taught us the values of giving back and paying it forward to those less fortunate. Every day, we have the chance to give within our community to make someone's day better. My grandfather once told me, "you never know the impact you may make for someone with encouragement or simply, opportunity."

Character is often defined by the things you do for people you don't know and for causes which bring you no direct benefit. Its about living where you live, the kind words and the actions of towards mankind. Its about love.

# Our Rotary Centennial Downtown Clock

- In 2004, Rotary International Celebrated its 100<sup>th</sup> Anniversary. We put together a team to make it happen, I went online and ordered the clock and we just did it!

A man wearing a grey t-shirt, a black apron, and a white baseball cap with sunglasses on top is cooking in a kitchen. He is stirring a pan with a wooden spoon. In the background, another person is visible, and there are shelves with various kitchen items. The kitchen has stainless steel walls and a range hood.

# Making delicious food at the Shelter!

- If you ever have a chance to go to a homeless shelter your life will change. You will meet the guys trimming the trees in your neighborhood, the clerk from the grocery store and vets dealing with the scars of war and see older ladies knitting with their lap dogs at their side. Our goal has been to make the food at the shelter high end and delicious. Its all about respect!

Building new dugouts at the Varsity Field

## Building a Downtown Park in one day

- So the concept is simple, let's build a park right in the center of Downtown. We will grade a pad, install irrigation and everyone will show up and help us lay sod. No problem and by noon, it was done!!!!

A Creekside amphitheatre for the theatre and weddings

Raising the money

07/11

# Shooting Trap for Charity

# Soccer

- For almost 22 years, we have been involved in the Winters AYSO coaching, running the snack bar, on the board of directors and yup, lots of games as the referee. Soccer is really important in our town and we work our hardest to make it great!

# Girl Scouts

# Brownies

# Football Camp

- For eight seasons, we helped sponsor the Winters Varsity and JV to attend a football camp in Gold Beach Oregon. The players camped in tents, we made food for about 100 players and families each day and celebrated evenings with bonfires and smores! Some of the players had never even seen the ocean. It was just incredible!
